Local School Wellness Policy Implementation Review

Local Wellness Policy Implementation Review	
District/RCCI Sponsor: Residential Youth Care, Inc.	
Program Year: 2020-2021	
Stakeholder Participation: <i>LEAs are required to involve parents, students, school administrators, teachers, representatives of the school food authority, the school board, and the public in the development, implementation, and periodic review of the LWP.</i>	
Goal in current wellness policy:	Residential Youth Care’s PQI – EHSC committee will assist in developing, implementing, monitoring, reviewing, and, as necessary, revising the nutrition and physical activity goals.
Implementation Progress:	In Process
Next Steps:	Work towards full implementation of policy.
LWP goals for Nutrition Education: <i>LEAs are required to include goals for Nutrition Education</i>	
Goal in current wellness policy:	RYC will encourage all youth to eat healthy and nutritious meals within RYC’s facilities dining environment and will, to the extent practicable, involve students in meal planning.
Implementation Progress:	Currently in process
Next Steps:	Allow for further educational opportunities for clients as they become available.
LWP goals for Nutrition Promotion: <i>LEAs are required to include goals for Nutrition Promotion</i>	
Goal in current wellness policy:	All foods available in RYC facilities shall be offered to students with the consideration for promoting youth health and reducing childhood obesity.
Implementation Progress:	Currently in progress
Next Steps:	Continue to offer appropriate food choices for all clients.
LWP goals for Physical Activity: <i>LEAs are required to include goals for Physical Activity</i>	
Goal in current wellness policy:	Youth shall be provided with at least 60 minutes each day of physical activity.

Local School Wellness Policy Implementation Review

Implementation Progress:	Currently in progress
Next Steps:	Continue to work with clients on more individualized health plans.
LWP goals for School-Based Wellness: <i>LEAs are required to include goals for School-Based Wellness.</i>	
Goal in current wellness policy:	NA
Implementation Progress:	
Next Steps:	
LWP goals for Public Notification: <i>LEAs are required to update the public (including parents, students, and others in the community) about the content and implementation of the LWP.</i>	
Goal in current wellness policy:	RYC will regularly, at least annually, inform and update the public, including youth, parents, and the community, about the content and implementation of the RYC policies that promote youth wellness.
Implementation Progress:	In process
Next Steps:	Updating the file and posting to our website.
Measuring Implementation: <i>LEAs are required to periodically measure and make available to the public an assessment on the implementation of the LWP, including the extent to which schools are in compliance with the LWP and a description of progress made in attaining goals of the LWP.</i>	
Goal in current wellness policy:	The Assistant Executive Director or designee will ensure compliance with established nutrition and physical activity wellness policies and administrative regulations.
Implementation Progress:	In Process
Next Steps:	Standardizing schedule of checks.
Local Designation: <i>LEAs are required to designate one or more LEA official or school official to ensure that each school complies with the LWP</i>

Local School Wellness Policy Implementation Review

Goal in current wellness policy:	The assistant Executive Director or designee will designate one or more person to be responsible for ensuring that RYC facilities comply with this policy and that activities, including fundraisers and celebrations, are consistent with nutrition and activity goals.
Implementation Progress:	Designees have been identified in each location.
Next Steps:	Continue to monitor for implementation.
Other Goals: <i>If applicable, please describe other goals specific to your district's wellness policy that exceed the federal requirements.</i>
